

The Museum of Senses offers an **immersive** and **interactive** journey to discover your senses, with experiences that spark curiosity and wonder: from the bed of nails to the balance room, and the intriguing mirror maze. A sensory journey that combines **fun**, **learning**, and **emotions**, making each visit an unforgettable experience.

WHAT WE OFFER

- **Innovative concept** with immersive and interactive installations that stimulate the senses in a fun and educational way.
- **Suitable for everyone**, including families with children, groups, and visitors of all ages.
- **Guided tours** available in Italian, English, and Spanish.
- **Prime location** in the heart of Milan, easily accessible by public transport and close to major attractions.
- **Easy booking process** for both groups and individual visitors.
- Welcoming and **efficient handling of groups**, even large ones.
- **Tailored solutions** for every type of customer.

PRICES

offer valid until 30.09.2025

We offer travel agencies an exclusive **25% discount** on the ticket price.
