

**Offer valid through December 31, 2026*

EDUCATIONAL OFFER

The Museum of Senses is a unique and innovative museum dedicated to the exploration of the senses through interactive and immersive installations. Combining fun and learning, it is the perfect place for engaging and educational experiences.

1 PLAYING WITH SENSES

Duration: 1h30min

This program is designed for children in preschool and primary school, with the goal of combining fun and education through engaging and personalized sensory experiences.

What it offers:

1. Interactive and fun activities: a mix of games, challenges, and dynamic activities that encourage children to explore their senses in a playful and engaging way.
2. Educational program: each activity is designed to spark curiosity and learning, with simple and accessible explanations suited to the children's age, allowing them to approach science in a fun and enjoyable way.
3. Tailored experience: through collaboration with teachers, activities are adapted to the specific needs of the children, ensuring a personalized and enriching experience.

2 THE SCIENCE OF SENSES

Duration: 1h30min

This program is dedicated to students in middle and high school, offering an immersive educational experience that combines learning with practical experimentation.

What it offers:

1. Educational pathway: the program includes explanations of science, physics, and biology, as well as insights into how the senses work, aiming to spark interest and promote informal learning.
2. Practical and immersive activities: students are engaged in hands-on activities that encourage them to explore the senses firsthand, making the experience both fun and memorable.
3. Tailored experience: by collaborating with teachers, activities are customized based on the specific needs of the class and the type of school, ensuring a personalized and educational experience.

**Offer valid through December 31, 2026*

VISIT WITH SENSE QUEST

Duration: 1 hour

For middle and high schools that **do not wish to take a guided tour**, **Sense Quest is available**—an interactive science questionnaire that guides students as they explore the installations.

Through targeted questions, it encourages observation and allows students to explore the exhibition independently and engagingly, even in teams.

At the end, the winning team is awarded a certificate of sensitivity.

PRICE PER STUDENT WITH QUEST (VAT included)

Middle School

13€

High School

15€

- Our “SenseKits” (Special Socks + TasteBox) are included in the price.
- Free admission for accompanying teachers.
- This offer is valid for groups of at least 15 paying participants.

BOOK YOUR VISIT NOW!
